STEM Programs

Programs	Fall Semester September 2nd – December 16th , 2023
Session 1 **Sept: 2, 9, 16, 23, 30** **10:00 – 11:30 am** Ages: 5-11 Cost: 200 *Rad Robotics!*	Students will use reverse engineering to build pre-designed robotic projects of their choice and learn to program them! Students will follow the engineering process, improve the design of their bots, or build brand new robotic projects from their imagination, programming them to compete in various challenges.
Session 2 **Oct: 7, 14, 21, 28** **10:00 – 11:30 am** Ages: 5-11 Cost: $160 *Code Busters!*	Students will be introduced to coding and block programming using technology innovative manipulatives that control the movement of a character on an iPad screen. Students will be earning virtual trinkets as they move at their own pace through increasingly harder challenges that require more complex programming.
Session 3 **November: 4, 11, 18** **10:00 – 11:30 am** Ages: 5-11 Cost: $120 *Awesome Animation!*	This program will teach students the *bare necessities* of animation! Using myCreateTM digital editing software, students will learn to record and capture their frames, add sound and dialogue, and make necessary edits to their short, but creative movies.
Session 4 **Dec: 2, 9, 16** **10:00 – 11:30 am** Ages: 5-11 Cost: $120 *LEGO Engineers!*	Students will use LEGOs to become engineers as their build catapults, pulleys, bridges, and more through fun challenges and games. Engineers can even get more creative and use their imagination to build robots and construct personal fortresses.
NEW! **Chess Club** **Aug. 18 – Dec 15th** **FRIDAYS 5-6 pm** Ages: 5-11 Cost: $10/lesson Beginner & Intermediate Level	**Beginner Level:** Players in this level will learn all the piece names and how to set up the chess board correctly and how to visualize them on the board, including the concepts of check and checkmate. **Intermediate level:** Players will focus on learning and applying basic opening principles and fundamental tactical patterns to their games. Players will compete against other players in the class.

**STEM Program yearly registration fee is $25.
Please note, you can enroll your child in one or all sessions at *any time* during the school year.
